First Annual White Elephant Silent Auction January 4 – 8, 2010

This special event is taking place in the Lakeside Community Center this whole week. It is an opportunity for you to take home some choice items and at the same time contribute to the programs supported by PTA.

Here is how it works: Bring your donations to the Community Center for display. Staff will provide a silent auction form with a minimum bid for your item. All week long folks will visit the Community Center, look at the items and make their bids. At 2:45 on Friday, January 8, the auction will close. Staff will notify highest bidders.

Folks can bring in items all week so you will have to visit the silent auction often. You can donate as many items as you wish. New items in original packaging are highly prized and gently used items are also acceptable. Be careful about donating the canned fruit cake given to you by Aunt Edna, she may ask about it next year!

There will be a special prize awarded to the donor of the most unusual item.

WINTER FAMILY DINNER MOVIE NIGHT Jan 22, 2010

Mark your calendars for January 22, 2010, 6 pm. We will be showing Disney's "Earth," an epic story of adventure, starring some of the most magnificent and courageous creatures alive. Disney Nature brings you a remarkable story of three animal families on a journey across our planet - polar bears, elephants and humpback whales. Filmed with spectacular clarity and beauty, earth is both majestic and intimate as it captures rare footage of nature's wildest and most elusive animals.

Bring your dinner to eat at 6 pm. PTA will provide drinks, popcorn and desserts. The 90 minute movie will start at 7 pm. Bring sleeping bags and pillow to lie on if you like!

WINTER PROGRAM DVD PREORDER FORM

Please fill out and return this form in order to receive your DVD of this special presentation.

Walk-A-Thon UPDATE

Estimated 2009-2010 NET (minus expenses)
Grand Total = \$16K

1st Grade: Anna Leith & Brady Maher

Kindergarten: Sarah Hansen & Quinn Fafard

Parents of these students will receive an
invitation for their student to attend
the bowling party in January.

Guinness World Record Attempt

Lakeside students are preparing to join
students across the state in a mass
attempt to break the Guinness World
Record for the "Most People
Jumping/Skipping Rope at the Same
Time." The current record, 59,000
people, is held by Australia.

At 9 a.m. on February 1st, our students
will join thousands of students across the
state to simultaneously jump rope for 10
minutes. The California Association for
Health, Physical Education, Recreation
and Dance is hoping to include more than
80,000 Californians in this attempt, which
is being held in conjunction with the
American Heart Association's Jump Rope
for Heart campaign.

Needless to say, we'll be jumping through
January in PE classes!

Electronic waste recycling drive Benefits Lakeside PTA 9 am to 3 pm Saturday, January 23, 2010 Parking Lot of Lakeside Elementary School

Did your family get a new appliance,
computer, or flat screen TV over the
holidays? Did you have a chance to
clear out the old stuff before ringing in
the New Year? Want to start off the
new decade by going green? Bring your
old electronics and household
appliances, such as computer monitors,
television sets, and microwaves to
discard them for free. EarthCare
Recycling processes electronic waste
responsibly, keeping it from going into
local or international landfills.
