**Jan 22, 2010**

Mark your calendars for January 22, 2010, 6 pm. We will be showing Disney's "Earth," an epic story of adventure, starring some of the most magnificent and courageous creatures alive. Disney Nature brings you a remarkable story of three animal families on a journey across our planet -- polar bears, elephants and humpback whales. Filmed with spectacular clarity and beauty, earth is both majestic and intimate as it captures rare footage of nature's wildest and most elusive animals.

Bring your dinner to eat at 6 pm. PTA will provide drinks, popcorn and desserts.

The 90 minute movie will start at 7 pm. Bring sleeping bags and pillow to lie on if you like!

Did your family get a new appliance, computer, or flat screen TV over the holidays? Did you have a chance to clear out the old stuff before ringing in the New Year? Want to start off the new decade by going green? Bring your old electronics and household appliances, such as computer monitors, television sets, and microwaves to discard them for free. EarthCare Recycling processes electronic waste responsibly, keeping it from going into local or international landfills.

**Guinness World Record Attempt**

Lakeside students are preparing to join students across the state in a mass attempt to break the Guinness World Record for the "Most People Jumping/Skipping Rope at the Same Time." The current record, 59,000 people, is held by Australia.

At 9 a.m. on February 1st, our students will join thousands of students across the state to simultaneously jump rope for 10 minutes. The California Association for Health, Physical Education, Recreation and Dance is hoping to include more than 80,000 Californians in this attempt, which is being held in conjunction with the American Heart Association's Jump Rope for Heart campaign. Needless to say, we'll be jumping through January in PE classes!

**Important information  
from Rolling Hills:**

During January there will be several important dates to note that have to do with planning for next year. Open Enrollment Open House will be held at Rolling Hills on January 21 at 9:00 am. Please remember that this is a parents only event. Students will have a chance to tour the campus later in the spring.

We will be holding an information evening on January 26 for parents explaining how to select high school courses with college preparation in mind. This meeting will begin at 7:00. We especially encourage 8th grade parents to attend, but welcome parents of students in all grade levels.
