We Did It!

Lakeside students helped

California jump into the Guinness Book of World Records. On February 1, our entire student body joined more than 88,000 Californians to break the Guinness World Record for "the most people jumping rope at the same time". The previous record, 59,000 simultaneous rope jumpers, was held by Australia.

Also, congratulations are in order for the 11 students who have earned a spot on the Mile Chart so far this year. To earn this distinction, students have to meet the following timed-mile standards by grade level: 1st grade boys < 10:00, girls < 11:00; 2nd grade boys < 9:30, girls < 10:30; 3rd grade boys < 9:00, girls < 10:00; 4th grade boys < 8:30, Girls < 9:30; 5th grade boys < 8:00, girls < 9:00.

- First grade: Caroline and Anna
- Second grade: Emmy and Bailey
- Third grade: Ian and Alex
- Fourth grade: Max, Ezana and Iris
- Fifth grade: Sawyer and Ryan

Nice job runners!

SPRING T-SHIRT ORDER

By popular demand we will be placing a Spring T-Shirt order. Orders are due in the office by this Friday, February 12, 2010.

WINTER DVD: If you preordered your Winter Program DVD it is in your Parent File located in the school office. The DVD is on sale this week in the school office. They make a nice Valentine for Parents, Grandparents, that special person.

Collection for Haiti

Mrs. Wingfield's 4th/5th students are collecting loose change to help with the relief efforts in Haiti. There is a jug on the counter in the office. They had a goal of \$500.00 and a matching donation if they made their goal. We are very proud to say the total is now over \$600.00! With the matching donation that makes over \$1100 to send to Haiti! All contributions are still welcome!
