

## 2008/2009 School Year PTA School Yearbook, Class Fund, Membership and Donation Form

The **School Yearbook** is preordered at a cost of \$15 each and distributed the last week of the school year. Cost increases to \$25 each for reorders.

The **Class Fund** of \$5 is used by the Room Parent of your child's classroom to offset the cost of supplies for three classroom parties.

The **PTA Membership dues** of \$10 per family pay for State PTA dues, liability insurance and special events such as school assemblies and family fun nights.

The **Donation to PTA** is voluntary and any amount is greatly appreciated. These donations will supplement our other fundraising efforts. Every year PTA helps support the students, staff and teachers at Lakeside with scholarships, stipends, material and equipment purchases. (see examples on page back)

Thank you for your support!
