

## PTA Back To School Expenses

**Yearbook:** The school yearbook is pre-ordered at a cost of \$20 each and is distributed the last week of the school year. Cost increases to \$30 for reorders.

**Class Fund:** A Class fund of \$5 per child is used by the Room Parent of your child's classroom to offset the cost of supplies for classroom parties.

**PTA Membership Dues:** Dues of \$10 per family pay for State PTA dues, liability insurance, and special events such as school assemblies and family fun nights.

**Donation to PTA:** is voluntary and any amount is greatly appreciated! These donations will supplement our other fundraising efforts. PTA helps support the students, staff and teachers at the Lakeside with many services, events, scholarships, and stipends. Every year PTA spends approximately \$375/per student bringing these events and services to the school. Additionally hundreds of volunteer hours are needed to support these events and services. Please view the separate page for donation ideas.

**T-Shirts:** are a fun way to raise money and show support for the school at the same time. Every year our lakeside t-shirts are very popular. This year we plan to distribute the orders earlier in the fall. Both children and adults can purchase the shirts. See order form for pricing. Prices are unchanged from 2008. We wear our shirts all year and especially to the Los Gatos Holiday Parade. This year we will have a new logo for you to enjoy! T-Shirts are offered in Green, Blue, Red, Pink, and Black. New this year is an apron, a great addition to your Lakeside Event wardrobe.

**Hot Lunch:** Hot lunches are a fun, delicious, treat for our kids and a welcomed break for their parents. It is also one of our major fundraising events! Hot lunches are offered on all Fridays through January (fall semester) and all Fridays up to and including a BBQ on the last day of school (spring semester) and consist of one or two servings of Pizza or Taco, a side of fruit or vegetable, drink and dessert. Tacos (corn shell, beef, sauce, lettuce, cheese, and a side of refried beans assembled per student request) will be served on the LAST Friday of each month; ALL other dates are Pizza (Cheese or Pepperoni). We provide a balanced meal that includes a fresh fruit, vegetable and dessert. A vegetarian choice will be offered, but there is no need to specify that on the form. The kids decide on that day what they're in the mood for.

Make reservations for your children on the attached form and you will have 19 lunch-making free days this fall (through January), and 17 in the spring! 2009 Meal prices are unchanged. Kindergartners will have their hot lunch wrapped to take home or to be taken to Clubhouse. If you know your child will want two servings every week you may buy a 2-serving Meal. If two servings are only wanted occasionally, an extra serving may be purchased for \$2 on that day (if available). Additional drinks, side dishes and desserts may be purchased for \$1. Both semesters can be purchased now for your convenience, or you can purchase the fall semester now and the spring later.

### Summary

Fall Sem. single serving (19)	\$4.00 each	Total	\$76
Fall Sem. double serving (19)	\$5.50 each	Total	\$105
Spring Sem. single serving (17)	\$4.00 each	Total	\$68
Spring Sem. Double serving (17)	\$5.50 each	Total	\$94
